Re: *Electric Service Contract – INVISTA*

Dear Mr. Terreni:

In accordance with S.C. Code Reg. 103-303, South Carolina Electric & Gas Company ("Company") files herewith for approval a contract for electric service between the Company and INVISTA. This contract governs the Company's service to INVISTA's plant near Winnsboro, South Carolina. INVISTA will manufacture polyester cord used in the tire industry.

The Company and INVISTA respectfully request that this contract be received in its original form under seal for Commission and ORS review. This request is made due to the commercial sensitivity and proprietary nature of certain provisions in the contract, as well as the highly competitive nature of the industry in which INVISTA operates. As stated in the contract, INVISTA supports the Company's request for confidential protection. A redacted copy of the contract is also attached to remain on file permanently with the Commission and ORS. The Company requests that the original (sealed) contract be returned to the Company subsequent to the Commission's consideration.

If you have any questions regarding this contract, please do not hesitate to call me at your convenience. Thank you for your kind attention to this matter.

Sincerely,

Catherine D. Taylor
